

## Raysun Lyra

### Passenger Car Motor Oil

Raysun Lyra series are premium quality passenger car motor oils developed for modern, high-output, multi valve, turbocharged & supercharged gasoline powered passenger cars and diesel powered light duty vehicles. While all the grades are developed to exceed the performance requirements of API (American Petroleum Institute) SL

#### Advantages

- Superior dispersants provide excellent control over soot induced oil thickening
- Better thermo-oxidative stability minimizes deposits & sludge build-up facilitating extended oil life
- Active cleaning agents provide engine cleanliness
- Good anti wear technology minimizes engine wear and thereby reduces maintenance cost
- Special rust inhibitors retard the formation of rust & corrosion in critical engine parts

#### Applications

- Recommended for high performance, multi valve, turbocharged & supercharged gasoline and diesel powered passenger cars and light duty vehicles requiring API SL /CF-4 quality oils

#### Spicification

- API SL /CF-4
